

# Crucible 2004

## Alchemical Empowerment

*The fifth annual Crucible event expands to a new format that combines a multimedia lecture, an experiential workshop, tincture making, and personal consultations.*

**SATURDAY, OCTOBER 9, 2004**

This year's *Crucible* conference will be held on Saturday, October 9 at the Sierra 2 Center in Sacramento, California. Located on three acres of lush landscaping, the center is within easy reach of downtown and within walking distance of many restaurants, bookstores, and coffee houses. Next to Sierra Green Park in the Curtis Park section of Sacramento, the center is known for its tranquil and inspiring setting. This year's *Crucible* features powerful demonstrations of both spiritual and practical techniques in alchemy and will include live experiments and meditations used by the alchemists.

There will be a refreshment stand and a vendor area offering books, artwork, jewelry, tinctures, colloids, essential oils, videos, audio tapes, and many more unique products. Due to popular demand, we are offering optional personal consultations on Friday, Saturday night, and Sunday (October 8, 9, and 10)..

The alchemists tried not only to change base metals into gold but also rejuvenate their bodies, integrate their personalities, and perfect the very essence of their souls. Although they spoke of retorts, furnaces, and chemicals, they were really talking about changes taking place in their own bodies, minds, and souls. That process is the underlying theme of Saturday's workshop with bestselling author and practicing alchemist Dennis William Hauck. Journey with him to that hidden side of reality where our true power lies. Experience all three levels of alchemical transformation – the physical, the mental, and the spiritual – using the same powerful operations used by the alchemists. Don't miss this rare opportunity to work with him!
