Greetings fellow Ormes and Ormettes!

Come join us at the 3<sup>rd</sup> Annual Alchemy and Ormus Conference in the beautiful Mount Madonna Center in Santa Cruz, California. We welcome your presence to share our knowledge and ancient traditions in alchemy, modern medicine, and advance techniques and research. Let's activate, connect, and experience each other's magic and manna. As a conscious collective, we hold the tools and keys to our health and ascension.

All wizards, alchemists, healers, light workers, fairies, magicians, and jedi are encouraged to join us.
